

Susan's Carmichael book reviews.

Governor Arnold Schwarzenegger *"I always appreciate seeing the work of my constituents...especially enjoyable when it's inspired by the beauty of our great state. I will keep the book close by (and) appreciate the joys of Carmichael."*

Sacramento Magazine called the book *"a world-class photojournalist's intimate look at a place unknown to most of the world."*

Supervisor Susan Peters (Sacramento County) said: *"Carmichael – Americana on the Move" is a wonderful 104-page photo-essay book... about this special community (Susan) calls home."*

From Jill Stockinger, Branch Supervisor, Carmichael library: *"Susan's book is a gem that will have more importance with each passing year. It's a beautiful, engaging historic record of Carmichael at the beginning of the 21st Century."*

From Marilee Flannery, Director Effie Yeaw Nature Center: *"(Susan's) keen eye and photographic talents combine to create a book that is not only delightful for Carmichael residents. It reaches beyond the geographic boundary with images that captivate readers from any locale. I applaud the recognition that the book has received."*

From Ken Umbach, Northern California Publishers and Authors /American Association of School Librarians: *"(Susan's book) should become a classic of its kind. She has captured not only what we see in a hometown, but also what we want to remember in it. Susan has helped to preserve memories filtered through imagination; a remarkable and possibly unique achievement. (The book) belongs in every Carmichael home and in the hands of everyone who wants to experience small town America."*

From Anita Creamer, Sacramento Bee: *" (Susan's) Carmichael is a Norman Rockwellish place of family business, flowering gardens, leafy landscapes...One day, grandkids and great grandkids of current residents can see what once was."*

California Assemblyman Roger Niello said: *(the book's triple 2007 NCPA awards) "are a direct result of talent, hard work and dedication. The effort put forth in your book of Carmichael is a great illustration of small town America."*
